13. If the Tenant remains as tenant after the expiration of this lease without signing a new lease, a month-to-month tenancy will be created with the same terms and conditions as this lease, except that such new tenancy may be terminated by thirty (30) days written notice from either the Tenant or the Landlord.
14. As required by law, the landlord makes the following statement: "Radon gas is a naturally occurring radioactive gas that, when accumulated in sufficient quantities in a building, may present health risks to persons exposed to it. Levels of radon gas that exceed federal and state guidelines have been found in buildings in this state. Additional information regarding radon gas and radon gas testing may be obtained from your county health department."
15. As required by law, the landlord makes the following **LEAD WARNING STATEMENT**:
"Every purchaser or lessee of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular threat to pregnant women."

The seller or lessor of any interest in residential real estate is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspection in the seller's or lessor's possession and notify the buyer or lessee of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."
